RULES

A shooter who fires shots while completely outside (both feet out and touching the ground) a shooting area is deemed to have gained a significant advantage and will be given one penalty for each shot fired until presence is re-established in a shooting area.

If a competitor starts and fires shots while completely outside a shooting area, foot fault penalties will apply as above. No penalty is assessed if a competitor does not fire any shots while faulting. Having at least one foot in a shooting area and nothing touching outside the shooting area is required to re-establish presence in a shooting area.
